FOR IMMEDIATE RELEASE

SELECT HARVESTS

Governor of Victoria Export Awards – Select Harvests Category Winner Agribusiness, Food and Beverages

Paul Thompson Managing Director Select Harvests Limited (ASX: SHV) is pleased to announce that Select Harvests has been awarded the Governor of Victoria's Export Award in the Agribusiness, Food and Beverages Category.

This award recognises our commitment to innovation, sustainability, and our focus on the growing opportunities in the Export markets. This award provides recognition of the hard work the organisation has put into opening up new markets for our Select Harvests and Allinga Farms almond product and our consumer focussed Lucky and Sunsol brands. Our investments in greenfield orchards and the parboil value-adding facility has ensured we have capacity and innovation capability to meet the ever increasing demand and need for new product solutions.

What are the Governor of Victoria Export Awards?

The Governor of Victoria Export Awards (GOVEA) are the most prestigious export awards in Victoria. They recognise Victoria's successful and innovative exporters with the stamp of international success. Select Harvests will be representing Victoria at the national level at the Australian Export Awards to be held on Tuesday 3 December 2019.

Summary

Paul Thompson, Select Harvests Managing Director concludes "Winning the Governor of Victoria Export Award in the Agribusiness Food and Beverage Category is great recognition of the hard work across Select Harvests. The award highlights our recent success in the Almond, Industrial and Consumer Divisions in South-East Asia and China. Our commitment to the customer, innovation and value-adding is paying off. With expanding almond production and increasing investment in our Industrial and Consumer Divisions, we are forecasting continued growth in our Exports."

About Select Harvests:

Select Harvests Ltd (ASX:SHV) is an ASX-listed, fully integrated almond business consisting of orchards (company owned, leased, joint venture and managed), primary processing (hulling & shelling), secondary processing (blanching, roasting, slicing, dicing, meal), trading (industrial products) and Consumer products (Brands - Lucky, Sunsol, Soland, NuVitality, Renshaw & Allinga Farms, as well as providing Retailer brands). Select Harvests imports a full range of nuts (in addition to its almonds) and a wide range of other ingredients for inclusion in their Consumer Products range. Australia is a significant global almond producer and Select Harvests are one of Australia's largest almond companies, supplying almonds domestically and internationally, to supermarkets, health food stores, other food manufacturers, retailers and the almond trade.

The company is headquartered at Thomastown on the outskirts of Melbourne, Australia while its orchards are in North West Victoria, Southern New South Wales and South Australia. The primary Almond processing facility (Carina West) is located at Wemen in North West Victoria and the second processing, value-adding and packing facility is located at Thomastown.
