

SELECT HARVESTS

23<sup>rd</sup> March 2020

**SELECT HARVESTS LIMITED (SHV) - Business Update**

Paul Thompson, Managing Director of Select Harvests, has confirmed all Select Harvests' facilities and almond harvest will continue to operate. They are exempt from the lockdowns and border restrictions recently announced by the State and Federal Governments.

The almond harvest has continued with now 50% of the crop fully harvested and being transported to the Carina West processing facility. The yield and quality remain similar to last year.

The Thomastown and Carina West facilities have been operating to meet the ongoing demand from our retail domestic customers and our export customers.

This announcement has been approved by the Board.

About Select Harvests:

Select Harvests Ltd (ASX:SHV) is an ASX-listed, fully integrated almond business consisting of orchards (company owned, leased, joint venture and managed), primary processing (hulling & shelling), secondary processing (blanching, roasting, slicing, dicing, meal), trading (industrial products) and Consumer products (Brands - Lucky, Sunsol, Soland, NuVitality, Renshaw & Allinga Farms, as well as providing Retailer brands). Select Harvests imports a full range of nuts (in addition to its almonds) and a wide range of other ingredients for inclusion in their Consumer Products range. Australia is a significant global almond producer.

Select Harvests is one of Australia's largest almond companies, supplying almonds domestically and internationally, to supermarkets, health food stores, other food manufacturers, retailers and the almond trade. The company is headquartered at Thomastown on the outskirts of Melbourne, Australia while its orchards are in North West Victoria, Southern New South Wales and South Australia. The primary Almond processing facility (Carina West) is located at Wemen in North West Victoria and the second processing, value-adding and packing facility is located at Thomastown.
